

P.E

Our Learning Objective is to 'Find Space to Run Into' – Make up your OWN game about this to show the class- we will then practice it and play it in the playground !!

Maths

Practice your 2x, 5x, 10x times tables- can you write them quicker and quicker? Go on TTRockstars -battle against each other .

Science

Identifying Living Things- What do they all need in order to survive?
What is alive, never been alive and been alive at one time?

Homework Mat -Autumn 1-September 2023

Hello Year 2SP,

Have I got a great term in store for you !!.....

We are looking at 'The Great Fire of London' this next term .It includes a trip to Fireground.

Research when firemen and women became our emergency service -Who thought of the idea? What is so great about it? Who do they help?

What would happen if we didn't have it?

Try and get some fresh air

everyone! –Walking/bike rides

Art

Research who Lowry was

Can you create one of his paintings?

A Must For This Year

Read at home for at least 15 minutes to an adult –get your reading diary signed as we will be looking at it every week.

-Use TT Rockstars as much as possible to perfect those times tables skills. Beat your score !!!! learn times tables.

-Learn all common exception words for Year 2.

-Complete Spelling tests to get 10/10 each week.

Music -Budding Musicians

We would like you to learn a song from POP UK of your choice-
