1 Introduction

- 1.1** All education during school hours is free, we do not charge for any activity undertaken during school hours as part of the National Curriculum.

2 School trips/visits and activities during in school time - voluntary contributions

- 2.1** When organising school activities, trips or visits which enrich the curriculum and educational experience of the children, the school invites parents/carers to contribute to the cost. All contributions are voluntary. If sufficient voluntary contributions are not made a proposed event would be cancelled unless school is able to cover the shortfall arising from parents/carers unwilling or unable to make a voluntary contribution. If the event does proceed each child would be allowed to participate fully without discrimination irrespective of contribution circumstances.
- 2.2** Parents/Carers have a right to know how each individual trip is funded. The school provides this information on request.
- 2.3** The following is a list of additional activities sometimes organized by the school, which require voluntary contributions from parents. These activities are known as 'optional extras'. This list is not exhaustive:
- visits to museums;
 - sporting activities – sometimes involving transport expenses;
 - outdoor adventure activities;
 - visits to the theatre;
 - school trips abroad;
 - musical events.
- 2.4** Parents/Carers will be given reasonable advanced notice of proposed visits/ activities and school will provide details of how each individual voluntary contribution amount has been determined. Staged payments may be arranged where contributions are significant.

3 Residential visits - Charges

- 3.1** If the school organises a residential visit in school time or mainly school time, which is to provide education directly related to the National Curriculum, we do not make any charge for the education or travel expenses. However, we do make a charge to cover the costs of board and lodging and may invite voluntary contributions to meet other costs associated with the visit. Parents/Carers who receive specific state benefits may be exempt from charges for board and lodgings and specific details of exemptions will be provided at the time that residential visit details are notified.
- 3.2** Parents/Carers will be given advanced notice of proposed residential visit opportunities together with an early indication of charges and voluntary contribution requests and staged payments may be arranged where contributions are significant.

4 Swimming

- 4.1** The school organises swimming lessons for all children in Key Stage 2 as part of the National Curriculum. These lessons take place during school hours and are delivered using an on-site pool, which is hired through a third-party provider. This provider is

responsible for setting up, managing, and staffing the swimming provision. The sessions are led by two qualified swimming instructors who teach the children in small groups, with the class teacher or a teaching assistant present to support. There is no charge to parents for this activity. Parents are informed in advance when swimming lessons are scheduled and are asked to provide written consent for their child to participate. We do not charge parents/carers for their child's participation in these sessions.
