# Analysis of Home learning survey

---

- 109 parents responded
- 83 % of parents were satisfied with the home learning provision
- 73% of parent's thought the type of home learning was just right

## Positive comments from Parents

I am happy how teachers stayed in contact

Work always put on Dojo in advance. Quality and quantity was sufficient for my child's age

## Negative Comments from parents

I don't feel like the teachers reached out to the children eg video calls

Very minimal contact with teacher tasks were simple and repetition

## In response to the survey

- School has invested in Microsoft Teams Platform
- Staff Trained on using Microsoft Teams
- Parents evening will be conducted on teams
- All work will be set on Teams platform rather than Dojo
- Children will receive some face to face teaching from the class teacher .
