Leah & Jaden	6AP
Keaton & Katelyn	6AH

Dates to remember

- 10.10.22 - Individual photographs.
- 13.10.22 - Year 6 Film Night
- 14.10.22 - KS2 trip to see Demon Dentist.
- 21.10.22 - School closes for half term.

This week in 2DH

In 2DH we have been busy building our understanding of the place value of numbers to 100. We have compared numbers using the symbols $<$ $>$ and $=$. We have enjoyed sharing ideas with our learning partners and working together to complete lots of problem-solving activities.

Demon Dentist

The KS2 trip to see the Demon Dentist by David Walliams is next Friday, 14th October.

If you haven't done so already, please log in to your ParentPay account to give permission for your child to attend the trip, advise school as to whether your child needs a packed lunch from school or if they will be bringing one from home and to make the required payment of £15.

We will be leaving school at 9.15am and we will be back before the end of the school day and children will need to wear their full school uniform.

Individual Photographs

We will have the school photographer here on Monday 10th October to take individual and siblings photographs (only siblings in our school).

If your child usually has PE on a Monday, please send them wearing their green polo shirt instead of their white PE t-shirt on this occasion.

Attendance

Please see below the winners for week commencing 19th September:

KS1

1st - 2GG 100%

2nd - 2DH 97.78%

3rd - Rec 95.00%

KS2

1st - 3LD & 4SP 100%

2nd - 5CH 99.00%

3rd - 6AH 98.67%

Flu Vaccination

All children from reception to year 6 will be able to have a flu vaccination in school on Wednesday 2nd November.

Please follow the link below to book your child's vaccine. This link will close Wednesday 19th October at 12am.

Macmillan Coffee Morning

Thank you so much to everyone who came along to our Macmillan Coffee Morning last Friday. It was lovely to welcome lots of parents and families there and see people coming together.

Thank you to our brilliant staff for providing all the cakes, they went down a treat!

A HUGE thank you to everyone who kindly donated. We've raised over £230 thanks to everyone's kindness! All the money goes directly to Macmillan and will help them give vital support to people living with cancer.

It's not too late, you can still donate here: <https://thyg.uk/BUS007706069>

The '4 T's of Type 1 Diabetes

DiABETES UK
KNOW DIABETES. FIGHT DIABETES.

Know the 4Ts
of Type 1 diabetes
It could save a child's life

If your child is experiencing any of the 4Ts,
visit your doctor immediately for a test.

Don't delay. Type 1 diabetes can be fatal.
diabetes.org.uk/The4Ts

KNOW THE '4 T'S' OF TYPE 1 DIABETES - IT COULD SAVE A CHILD'S LIFE

It's really important to be able to spot the most common symptoms of type 1 diabetes early.

Unfortunately, we know that too many people – mostly children and young people – are not diagnosed until they are in diabetic ketoacidosis (DKA), a life-threatening condition that requires urgent medical attention.

Early action is important and it's good to know the '4 T's' of type 1 diabetes:

TOILET – GOING TO THE TOILET A LOT.

THIRSTY – BEING VERY THIRSTY AND UNABLE TO QUENCH THE THIRST.

TIRED – FEELING MORE TIRED THAN USUAL.

THINNER – LOSING WEIGHT OR LOOKING THINNER THAN USUAL.

If you notice these signs and symptoms, you should contact your doctor **straight away**.
